### Download the Library's Mobile App

Explore the library in a whole new way with our mobile app. You can easily check our catalog and put a hold on a book; see what's happening through events page; or access our many resources and databases. You can even create a digital library card so you always have it on your phone. Search Ferguson Library in the App Store or Google Play to get started. Or scan one of these QR codes to download the app for iPhone or Android.

Families are invited to join the 1,000 Books Before Kindergarten program, a nationwide challenge encouraging parents and caregivers to read aloud to children. Reading just one book a night can help children develop essential early literacy skills, close the vocabulary gap, and foster a lifelong love of reading. The program is available at all our branches to families with children from birth to kindergarten. For more information, visit our Youth Services Information Desks.
