

# ACADEMY OF INFORMATION TECHNOLOGY & ENGINEERING

Empowering Students to Shape the Future!

## Summer 2021

Our summer reading book is ***Ready Player One*** by Ernest Cline. All students are expected to read this novel and one additional one of their own choosing.

There is also a written assignment which will be posted to our website. There are also separate summer reading assignments for students taking AP or ECE classes which will be posted to the website as well. Students who do not complete these assignments over the summer will not be able to stay enrolled in these courses when we return to school after the break.
