All **College Prep (CP) and Sheltered English students** will have TWO options for this year's summer reading assignment. Please read the instructions for each option below *carefully* before beginning your work. Honors students, please follow the instructions on the [next page](#). AP Language and AP Literature students, please click on the appropriate links to access your assignments.

All work must be **submitted to turnitin.com** by **Friday, September 3, 2021**. Any student submitting any amount of plagiarized content will receive a zero for this assignment. Your teacher will review turnitin.com at the start of the next school year.

Choice #1:

Select a book that you personally want to read. All we ask is that you make sure your book is grade-level appropriate. This year you can find a variety of fabulous book recommendations at the Ferguson Library, www.openlibrary.org, www.TeenBookCloud.com, or www.AudioBookCloud.com.

Once you have finished reading please **complete an analytical data sheet** for the book you chose to read. The directions for this assignment and an [electronic version of the data sheet](#) are available on the Westhill webpage. You may also pick up printed materials from your English teacher any time before June 18, 2021.

Choice #2:

If you do not want to choose your own book, you may opt to read a short story and **complete a set of text-dependent questions**. We are offering two choices for Grades 9/10 and two choices for Grades 11/12. Please select ONE story for your grade level that you personally want to read.
